

# Early Childhood Development Center Kaleidoscope

Providing excellence in education for children and peace of mind for parents

## Who We Are

- ECDC Kaleidoscope offers Toddler, Preschool and Pre-K For All programs
- ECDC Kaleidoscope is created to nurture children's creative expression, to promote children's social/emotional, physical and cognitive development, to build a strong foundation for school readiness and life-long learning. Our goal is to increase children's exposure to arts, language, mathematics, science, music and movement, drama, and sports.
- Our philosophy is "learning through play", which we believe is essential in child development.
- Our mission is to provide developmentally appropriate educational and recreational services for young children.
- ECDC Kaleidoscope currently has two preschools - Windsor Terrace (Preschool and Pre-K for All programs) and Ditmas Park (Toddler, Preschool, and Pre-K For All programs)

We believe in providing the best in early childhood education. Our passionate teachers and innovative programs help children discover that learning is fun, while making new friends and building strong relationships to support a child's development. Our teachers inspire children to be lifelong learners using a nationally recognized curriculum that promotes social, physical, language, and cognitive development. They are committed to making their educational center successful and know that meaningful relationships with children, families, and their team are important to success. They are fully engaged, passionate about their work, and realize that every child matters.
