SUMMER 2019 PROGRAM REGISTRATION FORM
June 25, 2019 – August 16, 2019
Theme: Travel Around the World

Welcome to Kaleidoscope's 10th Summer Program! We are known for a rich exposure to different cultures, languages, music, art, and hands-on science activities.

This summer, we will "travel" to France and Hawaii! We will explore their geography and culture including music, arts, literacy, and culinary science. We will spend 3-4 hours/day on our own 1,521 ft² outdoor playground perfecting our gross motor, team work, communication, and collaboration skills; tend to our outdoor garden; and observe our worm and snail communities. Children born in 2014 will participate in local trips and play in Prospect Park for 2 hours every day (weather permitting).

Our rooms are equipped with high quality child sized furniture, toys, and books. Our summer program is led by Kaleidoscope's highly qualified and experienced teachers and teacher assistants.

You do not have to worry about packing cold food for your child, because every day we prepare and serve delicious and nutritious breakfasts, hot lunches, and snacks on site!

We offer free transportation for children from the Windsor Terrace area.
