### **2024 - 2025 Enrichment Clubs Registration Form**

Please read the attached brief description of the clubs offered during Extended Day. All clubs are fee-based and require registration and full payment for students to attend. Kindly return the registration form along with payment on or before Thursday, September 5, 2024. Classes can be paid via Zelle, by cash, check, or money order.

Classes will start on Monday, September 9, 2024 ending June 20, 2025.

If the teacher is sick or has to be absent, the teacher will inform you of the scheduled make-up day and time.

Please check off the clubs you are enrolling your child in and return this form along with your payment to Mr. Pasha by September 5, 2024.

### **Sports Club**

Get ready for a rolling good time in our Sports Club, where preschoolers will have a blast learning and playing a variety of ball games! This club is all about developing coordination, teamwork, and physical fitness through fun, age-appropriate ball activities.

Each session will introduce children to different types of ball games, from simple catch-and-throw exercises to more structured games like soccer, tennis, volleyball, and other games involving beach balls and balloons. We'll focus on building basic motor skills, hand-eye coordination, and understanding game rules—all while keeping the energy high and the smiles wide.

In Sports Club, children will learn the value of teamwork, practice good sportsmanship, and build confidence as they master new skills. Whether it's rolling, kicking, tossing, or bouncing, every child will find a way to participate and enjoy the game.

### **Musical Theater**

Step into the spotlight with our Musical Theater Club, where preschoolers will explore the enchanting world of musical storytelling! This club is designed to introduce young children to the joys of theater through a combination of music, dance, and drama. Each session will be a lively and imaginative experience as we bring stories to life through song and performance.

In our Musical Theater Club, children will have the opportunity to express themselves creatively as they dance, sing, and act out scenes from beloved and stories. They'll discover the magic of the stage by participating in mini-productions that encourage teamwork, build self-confidence, and develop communication skills.

Through engaging activities, our young performers will explore different aspects of theater, from costume creation to stage design, all while having fun and making new friends. Whether your child loves to sing, dance, act, or all three, the Musical Theater Club provides a supportive environment for them to shine.

Please make checks payable to ECDC Kaleidoscope.

### **The World of Art**

Welcome to our "World of Art" club, where young artists will embark on a creative journey through the diverse artistic traditions of the world! In this literacy-based club, children will explore the art of various regions, including Africa, Japan, Asia, Mexico, Europe, and South America. Each week, they will delve into the unique techniques, styles, and stories that have shaped the art from these regions, inspiring their creativity and expanding their cultural understanding.

Our budding artists will have the opportunity to work with a wide range of materials, including acrylic paint, clay, cardboard, beads, pipe cleaners, and Styrofoam. Through hands-on projects, children will experiment with color, form, and texture, learning to express their feelings and ideas visually. These creative activities not only encourage artistic expression but also help develop fine motor skills, problem-solving abilities, and self-confidence.

This club is more than just making art—it's about exploring the world through creativity, building communication skills, and fostering a deep appreciation for global cultures. Join us as we create, learn, and grow in this exciting exploration of art from around the world!

### **Stories and Rhymes**

Welcome to our "Stories and Rhymes" club, where children embark on a literary adventure around the world! In this club, your child will enjoy listening to a rich variety of genres, including poetry, fables, legends, myths, and short fiction stories from different cultures. Together, we will explore story elements such as characters, settings, and plots, sparking engaging discussions. But that's not all—our young storytellers will have the opportunity to create and publish their own poems, legends, fables, and short stories! Through this creative process, they will develop their language skills, imagination, and confidence in expressing their ideas. Join us in celebrating the magic of storytelling!

Please make checks payable to ECDC Kaleidoscope.
