School Year 2025 - 2026

Enrichment Clubs Registration Form

September 4 - June 26

3:20 pm – 4:00 pm

The following extracurricular programs have been carefully crafted to extend children's learning and inspire growth beyond the classroom. Our Sports, Musical Theater, Arts, and Book Clubs offer enriching experiences that spark curiosity, encourage creativity, and strengthen key skills like literacy, teamwork, self-expression, and physical development. These clubs provide meaningful opportunities for children to explore their interests, build confidence, and discover the joy of learning in a supportive, engaging environment.

Please read the attached brief description of the clubs offered for Cohorts 15 (Pre-K) and 16 (3K). The clubs are fee-based and require registration for students to attend. Return the registration form along with payment on or before Friday, August 22, 2025.

I would like to register my child:

Student Name _____ Cohort 15 (pre-K) _____ Cohort 16 (3K)

Parent(s) Name _____

Email Address _____ Cell Phone _____

Please check off the clubs you are enrolling in and return this form along with your payment by September 5, 2024.

Club	Period	Day	Time	# of sessions	Cost	"V" Check

Sports Club (Mondays and Thursdays)

Get ready for a blast in our Sports Club, where preschoolers learn and play a variety of ball games! This club is all about developing coordination, teamwork, and physical fitness through fun, age-appropriate ball activities.

Each session will introduce children to various ball games, ranging from simple catch-and-throw games to more structured ones like soccer, tennis, volleyball, and games involving beach balls and balloons. We'll focus on building basic motor skills, hand-eye coordination, and understanding game rules, while keeping the energy high and the smiles wide.

In the Sports Club, children learn the value of teamwork, practice good sportsmanship, and build confidence as they master new skills. Whether it's rolling, kicking, tossing, or bouncing, every child finds a way to participate and enjoy the game.

Musical Theater (Tuesdays)

Step into the spotlight with our Musical Theater Club, where preschoolers bring beloved stories to life through music, movement, and imagination! Each session is a joyful adventure where children don't just act out favorite tales, they help make them their own by adding new twists, characters, and creative ideas.

In a fun, supportive setting, children work together to create mini productions that encourage creativity, build self-confidence, and strengthen communication skills. Along the way, they learn to express their ideas, practice working as a team, and experience the magic of performing, all while making new friends and having a wonderful time.

Our Musical Theater Club supports early literacy, social-emotional development, and self-expression, helping children grow into confident, collaborative, and creative learners.

Please make checks payable to ECDC Kaleidoscope.

The World of Art (Wednesdays)

Welcome to our "World of Art" club, where young artists embark on a creative journey through the diverse artistic traditions of the world! In this literacy-based club, children explore the art of various regions, including the US and Canada, Australia and Japan, Asia and Mexico, the Middle East and Europe, South America and India. Each month, they delve into the unique techniques, styles, and stories that have shaped the art from these regions, inspiring their creativity and expanding their cultural understanding.

Our budding artists work with a wide range of materials, including acrylic paint, clay, cardboard, beads, pipe cleaners, Styrofoam, and other creative materials. Children experiment with color, form, and texture, learning to express their feelings and ideas visually. These activities encourage artistic expression and help develop fine motor skills, problem-solving abilities, and self-confidence.

This club is more than just making art. It's about exploring the world through creativity, building communication skills, and fostering a deep appreciation for global cultures.

Stories from around the World (Fridays)

In this club, children explore poems, fables, legends, myths, and short stories from different cultures. Children build their vocabularies, strengthen language skills, and develop confidence in expressing their ideas. Children stretch their imaginations, discover new perspectives, and engage in rich conversations with old and new friends.

According to Scholastic's Kids & Family Reading Report (2019), reading for just 20 minutes a day can expose children to nearly 2 million words per year, helping them grow into strong, curious, and joyful readers. Moreover, reading in a social group builds communication skills, empathy, and a strong sense of community.

"The more you read, the more you know. The more you know, the more places you'll go." (Dr. Seuss)
